Master
Gardeners
Speaker's Bureau**

Speakers' Bureau

Purpose

To provide a ready pool of expert speakers, facilitators and other resource people for community events and activities that may contribute to community or youth development, community partnerships and public service and other organizational purposes.

Mission

The mission of Texas A&M AgriLife Service in Tarrant County is to improve county residents' quality of life with custom-made educational programs which are based on community identified needs and developed by volunteers.

Goals

Our goals are to protect the environment, develop youth, strengthen families, improve health, support agriculture and enhance horticulture.

Texas A&M AgriLife Extension Service is a partnership between Tarrant County, The Texas A&M University System, Prairie View A&M University and the United States Department of Agriculture.

About the Speakers

Speakers are trained Master Gardener volunteers or Extension professionals, who speak to the following groups: neighborhood associations, civic groups, schools, garden clubs, scouts, churches, libraries, nursing homes, conferences, garden events and other groups.

Speakers will make presentations using single slides, computer programs, demonstrations or transparencies.

Once a speaker has been assigned, please contact the speaker to see what kind of equipment they may require.

Speaker Request Form

To schedule a presentation:

Select a topic

Contact at: Speakers_Bureau@tarrantmg.org

Provide a three-week advance notice of the event to improve the chances of speaker confirmation. Provide important logistical details when confirming a speaker (where to park, program, agenda, audience size, location, audio/visual equipment and audience demographics. (i.e. age and education.) This allows the speaker to tailor presentations to meet your needs.
